

LeTort Trust Thanks Clients and Harrisburg Regional Chamber & CREDC for Small Business of the Year Award

December 17, 2013 – Camp Hill, PA

On Wednesday, December 4th, LeTort Trust was presented the “Small Business of the Year” Award by the Harrisburg Regional Chamber & CREDC, at the 2013 Catalyst Awards Ceremony.

“We are honored that the Chamber selected us for this prestigious award and want to thank all of our clients and employees for making this possible,” stated Katie Clarke, President, LeTort Trust. “We are proud of the dedicated team of professionals who have forged the strong, long-term business relationships with our clients that have made our business successful,” added Katie.

With its founding companies originating in 1980, LeTort Trust was formed in 2002. Combining the strong, family business heritage of two successful financial services companies, LeTort was created with one goal in mind...to dedicate a firm to the financial management, legacy and risk management needs of individuals and businesses.

The result today is LeTort Trust, a private trust company with professionals exclusively devoted to two primary lines of business: Retirement Plan Services and Wealth Management & Trust Services.

The team at LeTort Trust has made supporting the communities in which they operate and in which many of their clients reside, a top priority for the company. The firm’s commitment has been to give 5% of their profits earned annually back to the community.

In 2011, LeTort Trust established the Atgooth Foundation to be a catalyst for change within the community and a means for delivering donations to the organizations they support. One primary objective for their non-profit work is to support Financial Literacy and Education for youth in the community.

To that end, they have contributed both financial and volunteer support to Junior Achievement of South Central PA, Harrisburg Public Schools Foundation and Pennsylvania Free Enterprise Week at Lycoming College. Both organizations provide programs to engage students in learning about relevant business and financial topics that will serve them well in their future careers. As they continue to grow and prosper, they expect the Atgooth Foundation to grow and become the visible hallmark of thanks to the community that has supported LeTort so well over the years.
