

In Loving Memory of

*Michael  
Devlin*

*It is with very heavy hearts that we share news of the passing of our dear friend and partner, Michael Devlin, a key contributor to the founding of LeTort Trust in 2002. Mike was family to us and an invaluable advisor who played a crucial role in the success of our business. Mike was a true public servant within the community and was instrumental in the creation of our Atgooth Foundation, serving as Treasurer since its inception in 2011. Please keep Mike's family, friends, and all who knew him in your thoughts and prayers. He will forever be a part of LeTort Trust's legacy.*
